

Sunday, August 10, 2014 – The Love Sermon by Apostle Johnny Layton - Morgan

I am not going to be talking about the gifts of the spirit, but the very thing that makes these things generate

Galatians 5:6 - Faith works through Love

You have to learn how to marry your faith walk with your love walk

Brings correction and direction

When you become a believer in Jesus you come into right standing with God immediately- but Paul is talking about sanctification - God's love for you that you are now going to show to others

Get out of the mindset of the natural and get into the spiritual

Out of the old and step into the new

It's all about removing the flesh and the things around your heart- you need to learn the importance of Love and walk in it

Galatians 5:13-15

Don't use Grace as an excuse to sin

Grace is an ocean, not a sewer

The Bride of Christ - we forgot how to walk in love - we need to love our neighbors as ourselves

1 Peter - love covers sin

When you see a brother or sister fallen in sin - it's your job to love them anyway

Pray for them - encourage them - hug them - if you can't do those things the very least you can do is keep your mouth shut and pray

Don't be throwing parties and handing out hater-aid!

I Corinthians 13 - if you don't have Love it profits nothing

Verse 4-8 - these scripture are not for just the person you love the most in the world, it is for the person you like the least in the world.

Love is the opposite of Pride

The fruits of the spirit could be molded up into Love

You should love yourself - that means knowing your identity in Jesus Christ

You need to learn how to respond in Love

Love doesn't serve it self it serves others - you promote others

When I stand before God, I want the movie of my life to reflect that I have loved more, not less

You gotta learn to operate in love - love never fails

I John 4:7 - love one another - God is love

Love is an attribute of God - it is the heart of God

God's love should be oozing out of your pours - it should be flowing out of your mouth - you should be exuding Love

The great commission - go out into the world - no matter what your calling should be - you should be doing the great commission - and if God gives you a calling it should be pointing to the first call - the great commission

You have to walk in love, teach in love, etc

John 3:16 - it's all about Love

Matthew 22 - the greatest commandment - love God with all your heart, soul, mind and love your neighbor as yourself

The bride - she can be beautiful, but if the bride doesn't walk in love - the groom doesn't want her
